

LinkedIn Profile – Ayele Sileshi Haile

🌱 Agricultural Development | Rural Transformation | Project Management

About

Experienced agricultural development professional with 20+ years driving rural transformation projects across Ethiopia. Skilled in irrigation, water resource management, and sustainable farming practices, with a proven track record of designing and scaling initiatives that empower smallholder farmers, youth, and women. Passionate about linking technology, markets, and capacity building to create lasting impact in rural communities.

Experience Highlights

- **Board member for Amibara Middle Awash Agricultural Development PLC that is purely involved in cotton production and an awardee.**
- **Senior Project Officer – Ethiopian Agricultural Transformation Agency.** Led national irrigation and drainage projects, developed innovative extension services (IVR Free Dial 8028), and trained rural youth in well drilling and pump maintenance.
- **General Manager – Yesuf Omar Gelsita Agricultural Development Enterprise** Established and managed farms, built strong community partnerships, and maximized productivity through effective resource management.
- **Team Leader – Ministry of Agriculture** Directed fibre crop development, trained experts, and supported foreign investment in agriculture.
